

POTHULA SHANMUKHA SAI CHAITANYA

Kalyan Nagar, Machilipatnam, Andhra Pradesh 521001
[+91 9154149337](tel:+919154149337) ♦ pothulashanmukhasaichaitanya@gmail.com ♦ [GitHub](#)

OBJECTIVE

Computer Science graduate with hands-on experience in Linux, Python, Git, Cloud platforms, and system-level debugging. Passionate about building reliable and secure software solutions with strong problem-solving and automation skills. Seeking an entry-level IT role where I can apply my technical expertise, adaptability, and continuous learning mindset.

EDUCATION

Bachelor of Computer Science, Bapatla Engineering College 2021 – 2025
CGPA: 7.82

INTERNSHIP

SkillDzire Technologies Pvt. Ltd May 2024 – July 2024
Fraud Detection System, Hyderabad

- Analyzed transaction data and identified anomalies, improving problem-solving skills
- Worked with datasets to detect irregular patterns and troubleshoot inconsistencies
- Gained experience in handling real-world data issues and debugging workflows

TECHNICAL PROJECTS

Log Detection & Alerting System

- Developed a Python-based log engine that ingests and parses Linux system logs to identify security threats.
- Implemented detection rules for brute-force attacks, privilege escalation, and unauthorised port scanning.
- Integrated MITRE ATT&CK mapping to categorize incidents and built an automated alert generation system.

Android Open Source Project (AOSP)

- Built AOSP from source and ported custom ROMs for Realme GT Neo 2, optimizing for kernel stability and hardware efficiency.
- Utilized ADB Logcat and MIO for deep system-level debugging and security troubleshooting.
- Leveraged Google Cloud (GCP) for automated build environments and high-speed compilation workflows.
- Automated build and debugging workflows using cloud environments and Git

SKILLS

Python, Linux, CyberSecurity, Git/Github, Google Cloud Platform(GCP), Vertex AI, Bash Scripting, Network Security, Siem , Soar.

STRENGTHS

Problem Solving, Analytical Thinking, Automated WorkFlows, System Debugging.

CERTIFICATIONS

- Prompt Design in Vertex AI
- GenAI Apps with Gemini & Streamlit
- Chronicle Security Operations Platform Fundamentals
- introduction Google Security Operations(SIEM)
